COMPANY OVERVIEW

MAHAJAN Group, established in 1980, through its flagship unit, is a leading manufacturer and marketer of edible oils with an unbroken legacy of 45+ years.

Headquartered in Indore, Madhya Pradesh, and supported by a state-of-the-art refining unit in Gujarat, we cater to millions of households, HORECA partners, and institutional buyers across India.

Our foundation is built on three core pillars **uncompromised purity, consistent quality, and generational trust.**

From a single-unit operation to a multi-state presence, we have continuously evolved with the changing needs of Indian consumers while staying true to our values.

Today, Proagro Nutrifoods is a trusted edible oil manufacturer, delivering edible oils that perfectly balance **health, taste, quality, and value.**

STRATEGIC EXPANSION GUJARAT REFINING UNIT

To meet growing demand, **PROAGRO NUTRIFOODS PRIVATE LIMITED** has established a state-of-the-art refining unit in Gujarat, strengthening our presence in western and coastal markets with faster delivery and improved efficiency.

The facility matches our Indore plant's high standards and features advanced automation, dedicated oil processing lines, in-house quality testing, and strategic port connectivity for future growth.

With this expansion, we continue to deliver **consistent quality, efficiency, and customer satisfaction across India.**
